MEMORANDUM FOR: Acting Chief, FI Division/D

SUBJECT : [REDACTED] 25X1A

25X1A

1. I understand that [REDACTED] is about to depart Staff D. I did not want him to leave without my registering with you my views on the nature of his work with this office over the last couple of years. Since Bill was the control officer for your area in connection with a project I am working on, I have had frequent and close association with him. In my view, he is an officer with great potential. He has been extremely cooperative and effective in bringing to bear those views of your organization where required in problems confronting us.

2. I am confident that you can expect good things from Bill in the future.
